

DON'T BE LONELY

(Chuck Girard)

Bb **Bbmaj7** **Cm**
Please don't be lonely in the winter,
F **Bb**
When the sun no longer seems to shine
Bb **Bbmaj7** **Cm**
Please don't be lonely when the darkness seems to shadow
F **Bb**
The sun is shining all the time

Bb **Bbmaj7** **Cm7/Bb**
Please don't be lonely in the night time
F **Bb**
When the sunlight seems to go away
Bb **Bbmaj7** **Cm7/Bb**
It still is shining while the world is slowly turning
F **Bb**
And always brings another day

Eb **F** **Bb**
Oh don't be lonely
Ebm **F** **Bb**
Oh, don't let your heart be blue
Eb **F** **D7** **Gm** **Gm/F**
Outside the shadow of an unbelieving heart
Eb **F** **Eb** **Bb/D** **Eb/C** **Bb**
The sun is shining there for you

Bb **Bbmaj7** **Cm7/Bb**
Please don't be lonely in the winter,
F **Bb**
When the sun no longer seems to shine
Bb **Bbmaj7** **Cm7/Bb**
Please don't be lonely when the darkness seems to shadow
F **Eb** **Bb/D** **Eb/C** **Bb**
The sun is shining all the time

Cm **F** **Eb** **Bb/D** **Eb/C** **Bb**
The sun is shining all the time
