

**FULL IMMERSION OCEAN WATER BAPTISM BY THE SEA**

(Chuck Girard)

**A7** **D**  
Down by the ocean in a southern California town

**A7** **D**  
Sunlight on the water as the people start to gather 'round

**G** **A7**  
The breeze is easy and the ocean water spray

**A7** **D**  
Cools and refreshes in the warm California day

**A7** **D**  
The sound of the surf and the children as they play

**A7** **D**  
Add a pleasant touch to the already perfect day

**G** **A7**  
The atmosphere is heavy with the feelin' of expectancy

Smiling faces showin' joyful hearts **D**

As the people gather 'round for the sight that they came to see

**G** **A**  
The full immersion ocean water baptism by the sea

**D**  
Welcomin' the people who are new to the family

**G**  
People singin' praises as they watch from the harbor wall

**A7**  
Singin' in the spirit makin' joyful noises

Shoutin' hallelujahs at the top of their voices

**D**  
They're gonna keep on until the sun come's round again

**A7** **D**  
They walk into the ocean 'til the water's up to their knees

**A7** **D**  
Buryin' their past at the bottom of the sea

**G** **A7**  
Resurrectin' life flowin' through em when they breathe again

Their old lives buried and their new life flows

**D**  
Their hearts are full and their faces show the change
