(Do-do-do-do, do-do-do-do, la-la-la-la-la-la-la-la-la)

**C G Am**

We have lived in darkness for a long, long time

**F**

No one there to guide our way

**C G Am F**

Bump our heads on everything in sight

**C G**

Because we cannot see the light of day

**C G**

You must live in Jesus light

**Am F**

If you want to live in Heaven

**C G Am F**

How long are you going to stumble round

**C G C**

Find no peace in what you're doing

**Fmaj7 G**

Living in a world of our own design

**C#dim D**

Thinking we could fool ourselves forever

**Fmaj7 Em**

But in everybody's life there comes that time

**F G F/G Em/G Dm/G C**

He must choose then or he will may...be .. ne.....ver.....know

**C G Am**

We have felt such a need to fill an empty space

**F**

Everybody's had their say

**C G Am F**

Take a chance with every different face

**C G**

Find no satisfaction in their ways

**C**                    **G**  
You must live in Jesus light

**Am**                    **F**  
If you want to live in Heaven

**C**            **G**                            **Am**    **F**  
How long are you going to trip & stumble round

**C**            **G**                            **C**  
Find no peace in what you're doing

**C**                    **F**  
Jesus loves you if you'll only let Him

**G**            **F**                    **C**
