

THANK YOU LORD

(Chuck Girard)

**A** **D**  
When day is done and you're all alone  
**F#m** **B7**  
Everyone's in bed and you're finally all alone  
**E** **E7** **A** **D**  
And you have no phone to answer and there's no one at the door  
**E** **E7** **E7sus** **E**  
There's no one comin' over anymore today

**A** **D**  
And you sit beside the table and you think about the day  
**F#m** **B7**  
How you been so busy runnin' and your mind begins to stray  
**E** **E7** **A** **D**  
And you get a peaceful feelin' and you know the reason why  
**E** **D6/E** **C#m/E** **Bm/E** **E**  
And when it hits you, you feel as if you could almost cry

**A** **Em**  
Oh Lord, I thank you for today  
**D** **E** **A**  
It's been so different ever since I decided I would go your way  
**F#m** **B7**  
Each day is so much sweeter than the day that went before  
**E** **D6/E** **A**  
Thank you Lord that you'll be with me tomorrow

**A** **D**  
Now you're here, I can feel you near  
**F#m** **B7**  
It's always such a peaceful feelin' when you are near  
**E** **E7** **A** **D**  
You let me know you love me when I need to know the most  
**E** **D6/E** **C#m/E** **Bm/E** **E**  
And even though I feel so good, you make me feel even better

**A** **D**  
Now your presence here in this little room  
**F#m** **B7**  
Makes it heaven here as your spirit brings His peaceful bloom  
**E** **E7** **A** **D**  
And it's more than human understanding will ever comprehend  
**E** **D6/E** **C#m/E** **Bm** **E**  
That God himself is visiting me right now

**A** **Em**  
Oh Lord, I thank you for today  
**D** **E** **A**  
It's been so different ever since I decided I would go your way  
**F#m** **B7**  
Each day is so much sweeter than the day that went before  
**E** **D/E** **A**  
Thank you Lord that you'll be with me tomorrow

**E** **D/E** **A**  
Thank you Lord that you'll be with me tomorrow  
**E** **D/E** **A**  
Thank you Lord that you'll be with me forever
